Ralston Road Suit Ordered

Possibility of immediate completion of the La Honda road as a federal "farm to market" road was revealed by Supervisor Alvin A. Hatch at the board meeting yesterday.

Assigned to attend the state highway committee meeting of the state chamber of commerce, Hatch brought word from federal highway officials at Los Angeles that the money for the "farm to market" program was available.

Under the program presented to the state chamber, counties will supply 40 per cent of the cost and the federal government 60 per cent. Hatch urged Engineer U. S. Marshall to make an immediate investigation to see what county funds were available.

Marshall reported that the project was already filed.

SHORE FUNDS PUT UP

The board authorized payment of $22,500 as first installment of the county's share of the Ocean Shore Boulevard construction for 1937-38. On motion by Hatch, the board advised the joint highway district that it had levied sufficient taxes to meet its share of the year's costs and will be ready to pay the second installment when San Francisco and Santa Cruz counties are ready.

Next link in the coast highway project is the Waddell Beach-Davenport unit, to cost $330,000, of which the state will pay $180,000. The state has asked that the entire amounts due from the counties be deposited immediately in order that the work may proceed.

OTHER ROAD ALSO

Marshall was authorized to transfer $4000 from other funds to put an asphalt wearing surface on two miles of the King's Mountain road, connecting Woodside with the Skyline boulevard.

The board authorized the engineer and district attorney to proceed with condemnation proceedings for rights-of-way for the new Ralston Road from Belmont to the Skyline.

FREDDIE STEELE HURT

NEW YORK, Nov. 4 (AP)—The scheduled 12-round non-title fight between Freddie Steele, middleweight champion, and Fred Apostoli, San Francisco, November 12, has been postponed indefinitely because of injuries to Steele.

BOARD ADOPTS $4000 COUNTY STORE PROGRAM

Another forward-looking step in San Mateo County's new purchasing procedure was taken yesterday when the board of supervisors set up a $4000 revolving fund for the purchasing agent with which to stock a county store room for standard items, including gas and oil.

The system prescribed in the ordinance provides for positive accounting for all issuance from stock, and requires that issuances cannot be made without the approval of the controller as to sufficiency of funds, according to Executive E. A. Rolison.

It relieves the purchasing agent of all clerical work in connection with billing departments, Rolison explained. When a department receives supplies the issuance is regarded as an expenditure and the appropriation account is charged accordingly. The amount of the charge is then transferred to the $4000 revolving fund, regular accounting requirements serving a dual capacity.

The executive indicated that elimination of billing by the purchasing agent, which caused a peak load of work in his office, will help to smooth the work of the office.

Purchase of a new $1325 automobile for the sheriff's office was approved.

The board adopted another ordinance barring solicitors from county offices except on regular county business.

Halt of Liquor Sales at Track Barns Demanded

Revocation of the license which permits sale of beer, wines and hard liquors within the enclosure of the Bay Meadows barns was advocated today by Chief of Police Thomas F. Burke of San Mateo as a further means of reducing the county's frightful death toll.

"The permit was granted by the state board of equalization over my protest," the police chief said. "I did not feel that the enclosure was a fit place in which to sell liquor.

"I am hopeful that the state board will refuse to renew this permit next year.

"While races are being run at Bay Meadows, between 300 and 400 men are employed in the track barns.

"If even as much as 5 per cent of this number leave the inclosure under the influence of liquor and cross El Camino Real, the possibility of serious accidents involving motorists and pedestrians is greatly increased."

DON MIKKELSEN

Don Mikkelsen New Advertising Head of Tribune

Appointment of Don Mikkelsen as advertising manager of The Tribune succeeding Clifford Walk, who has taken a public relations position with Transcontinental-Western Air Lines, was announced here by Sam Winklebleck, publisher of The Tribune.

Mikkelsen, who since coming to The Tribune December 1, 1936, has been national advertising manager, is a graduate of Washington State College. Before joining The Tribune staff he was employed by Fenger-Hall Company, national newspaper representatives, and before that by the Palo Alto Times.

Assisting Mikkelsen as advertising salesman is H. D. McKay Jr., graduate of Stanford University. During the past summer he was advertising manager of the Tahoe Tattler, published in Reno. Prior to that time he was advertising manager of the Lassen Mail, published in Susanville. He also has done newspaper and radio advertising and publicity work in Northern California.

Enforcement Drive Starts

All bakers doing business in San Mateo County were warned today to comply with the food and bakery inspection law, just made effective by the San Mateo County Department of Health and Welfare.

Passed more than a year ago to assure a pure bread supply for the county, the ordinance provides that no bakery products shall be permitted to be delivered in the county unless manufactured or coming directly from a bakery that has been certified by the county board of health.

Enforcement of the ordinance was delayed, it was explained by the health department, by lack of funds. Appointment of John W. Fickiesen as food and bakery inspector was announced, and bakers were advised to file applications for inspection service immediately.

The inspection service is expected to be self-supporting on an inspection fee basis. Penalty for violation of the ordinance is a maximum fine of $100 or 100 days in the county jail.

While only Burlingame has adopted the county bakery ordinance and has given the county department of health jurisdiction to enforce its provisions, the fact that most bakeries sell their products in unincorporated areas is expected to give the county virtually complete jurisdiction over health inspection of the industry.

Hundreds of bakery employes, including drivers, will be given detailed medical examinations. Each will be required to carry a health certificate signed by the director of public health.

The ordinance prescribes adequate sanitary facilities in all bakeries, and requires inspection of all equipment including vehicles. San Francisco bakeries selling in San Mateo County are not exempt from the ordinance, it was pointed out.

The monster tree of Yosemite National Park measures 209 feet in height, and is almost 4000 years old.

Week-end Car Crashes Bring Dozen Injuries

Although the county escaped from any highway fatalities over the week-end despite heavy traffic due to the football game and the ideal Sunday weather, more than a dozen persons were injured in crashes in various parts of the county.

Six persons were hurt, one seriously, at 6:30 p. m. Sunday when the southbound car of John Medeiros of 1540 James avenue, San Jose, collided with the machine of Henry Fritzel, 38, 201 Mallorca street, San Francisco, who was attempting to enter the Bayshore highway at Peninsula Beach, San Mateo.

Fritzel suffered shoulder injury; his wife, Mae W., 34, severe head lacerations; Fred Stoll, 70, of 764 59th street, Oakland, face and head cuts; his wife, Elizabeth, 66, hip and back injury which necessitated her confinement at Mills Memorial Hospital; Miss Laura Silveira, 26, of 679 Snell road, San Jose, facial cuts, and Emily Freitas, 22, of White road, San Jose, broken nose. The latter two were riding with Medeiros. The others all were in the Fritzel machine.

TWO R. C. PEOPLE HURT

Two Redwood City persons were injured in automobile accidents here over the week-end.

Mrs. Harriet Swanson, 25, 410 Quartz street, Redwood City, sustained severe head injuries Saturday night when the car driven by her husband, R. J. Swanson, 30, collided with a light truck operated by Lester E. Allen, 21, San Mateo, on El Camino Real near Rogers street. Mrs. Swanson was taken to Mills Memorial Hospital, San Mateo.

Rollen Thompson, 10, 1123 Clinton street, incurred facial cuts in a Sunday morning collision at Jefferson avenue and Clinton street where cars driven by Lucille Buzdas, 23, of Stockton and Alvin Passio, 36, 566 Avenue del Ora, crashed. The boy, riding with Miss Buzdas, received emergency treatment from Dr. Ralph D. Howe, Redwood City.

BOY HIT BY CAR

Harold Hern, 7-year-old foster son of Mrs. L. Cook, Burlingame, was painfully cut and bruised and incurred a possible fractured rib yesterday afternoon when he was struck by an automobile at Ralston avenue and El Camino Real, Burlingame, by a car driven by Salvatore Carcione, San Francisco. The motorist told police the boy ran in front of the car.

A Burlingame police car was slightly damaged yesterday when it was hit in the rear by a machine driven by Gordan Jones. Officers A. M. Marion and J. M. O'Brien, operating the police car, reported that Jones' car was attempting to pass theirs but did not swing wide enough. Jones was not held.

FOOTBALL TRAFFIC CRASH

Ellen Dawson, 39, 212 South El Camino Real, San Mateo, suffered a cut knee and nose in a three-car accident Saturday evening in the post-football game traffic on the Bayshore highway. Her car collided with the rear end of a machine driven by Esther E. Rooney, 19, and impelled her machine into that of Fred Backenheimer, 52, of Los Angeles, police said. The crash took place just south of the Burlingame city limits.

Mrs. Lillian Hedtcamp, 44, of San Francisco, incurred a slight head injury late Saturday when the car in which she was riding with John Stofan, 44, also of San Francisco, collided on the Bayshore highway, near the Millbrae intersection, with the machine of George Bailey, 23, 422 Hilton avenue, Redwood City.

PEDESTRIAN STRUCK

A man identified as Fresco C. Silveria was critically injured late Saturday night when he walked into the side of a machine driven by Richard L. Dollarhide, San Jose. Silveria suffered head and shoulder hurts in the 12th avenue and El Camino Real accident, San Mateo, and lay semi-conscious over the week-end, with police and Mills Hospital attaches unable to question him further as to his identity or where he lives. According to the report of San Mateo police, the man walked directly into the side of Dollarhide's machine, despite the efforts of the driver to avoid striking the pedestrian. Hospital attaches said he had been drinking.

Sequoians Attend Study Conference

Seven Sequoia high school teachers and the principal, A. C. Argo, were in attendance at the general sessions of the work-study conference on secondary school curriculum held recently in Oakland under sponsorship of the Progressive Education Association and the Oakland Public Schools.

In the group were Harvey Hall, James Thornton, Mrs. Annie Bigler, Mrs. Eyla Wooldridge, Miss Camilla Low, dean of girls; Miss Juliane Wolters, vice principal, and Miss Angelina Burns, librarian.

Participating in special work groups in closed sessions were Mrs. Wooldridge, who worked with a group studying social sensitivity; Hall, who was with a group studying attitudes, appreciation and interest, and Joseph DeBrum, who was with a group handling study habits.

Mrs. Wooldridge and DeBrum were speakers before their respective groups, the former describing the social living course at Sequoia and the latter talking on "Typing for College Preparatory Students."

Miss Mildred Proctor, another teacher at the high school, attended a meeting for home economics teachers in Berkeley over the week-end.

Poole, Leonard Leave On 2-Week Vacation

Supervisor John W. Poole and Agricultural Commissioner Max Leonard left early today on an extended "inspection tour" of the Smith river and other streams in southern Oregon where the salmon run is reported to be in full swing.

Both were granted permission by the supervisors yesterday to leave the state temporarily. They expect to be away from their offices for two weeks on their annual vacations.

TO BUILD HOTEL

Capt. George Whittell of Woodside, shown here in deep thought as his brother sued him recently in San Francisco for half his estate, has just paid some $500,000 for the Lake Tahoe, Nev., holdings of the Hobart Estate Company. About 21,000 acres of heavily timbered land and 7½ miles of lake front property on the Nevada side are included. The new owner and associates contemplate building a large hotel and winter sports resort on part of the property. Captain Whittell recently ordered a large "flying fortress" airplane, minus guns, for a pleasure cruiser.

JAYSEE NETMEN READY

SAN MATEO, Nov. 4—Offered a chance for revenge after their 6-1 trouncing from Modesto Junior College a few weeks ago, San Mateo Jaysee tennis players are scheduled to meet the Pirates here Saturday.

Charles Darwin wrote the "Origin of Species by Means of Natural Selection" in 1859.

DOUBLING UP ON WOODSIDE

One-eleventh of the enrollment at Woodside School is made up of twins. Here they are—6 of the school's 66 pupils. Two sets of the twins are in the same family. Back row (left to right), Aurelie and Audrey Mathisen. Middle row, Marjorie and Marie Christensen, daughters of Mr. and Mrs. J. W. Christensen. Seated, Doris Jane and Dora Jean Mathisen. The Mathisen children are the daughters of Mr. and Mrs. Arthur Mathisen and granddaughters of Woodside pioneers, the late Mr. and Mrs. Peter Mathisen.

Halloween Quiet In Redwood City

Aside from the fact that a majority of citizens were faced with the prospect of washing tallow and soap off their home, store and automobile windows, it was a quiet, uneventful Halloween in Redwood City, Chief of Police C. L. Collins reported Monday.

Two gates were stolen, one box of ripe tomatoes destined for hurling at cars on El Camino Real was confiscated and a 50-foot length of stolen garden hose was taken to the police station where it awaits identification by its owner. The gates were recovered.

At the sheriff's office were reports of three cases of malicious mischief, two Saturday and one Sunday, attributed to Halloween pranksters.

First call came at 8:40 p.m. Saturday from the home of Clarence J. White, Seventh avenue, Redwood City, where Deputy Sheriff Hugh Williams found an egg-bespattered but otherwise undamaged dwelling.

Next call came at 10:40 p.m. Saturday from Mrs. G. North, Upland road, who complained that some one had been shooting near the premises, and had thrown tomatoes all over the front of the house.

Last Halloween alarm was at 8:05 o'clock last night when R. M. Gordon, 102 Fifth avenue, North Fair Oaks, reported someone had sprinkled broken glass in his driveway.

Tickets, Please! Say Bus Drivers

To avoid overcrowding of the buses used to transport Sequoia high school students to and from classes each day, special seats in the various buses have been assigned each student using the facilities, and tickets were issued to these students at the school today.

Difference in color of the tickets indicates the bus on which each student is supposed to ride. Each student will be required to carry his ticket with him at all times for admission to his bus.

Because of insurance regulations, only students and teachers may be transported on the school buses, Donald Bogie, vice principal and in charge of the system, pointed out.

Chest Would Include City, Emerald Lake

Redwood City's proposed community chest would cover only the area within the city limits and the Emerald Lake subdivision, according to tentative plans adopted yesterday by the investigating committee. Chairman J. E. Morrish announced that the complete plans of the organization set-up, including suggested by-laws, would be completed within a week.

Louis B. Dematteis, deputy district attorney, is preparing the by-laws, Morrish announced. It is planned to conduct the affairs of the chest with a minimum of salaried employes.

Present at yesterday's session were Morrish, Mrs. A. S. Kalenborn, Duncan Reynard, Perry A. Bygdnes, and J. A. Buhler.

Lone County Bid Rejected

Plans of the board of supervisors to build a combination court room and play area in the juvenile detention home met a temporary setback late yesterday when bids were opened for the work.

The lone bidder, J. B. Allen of San Carlos, offered to do the work for $4137, nearly 40 per cent higher than the architect's $2900 estimate.

Supervisor Fred Beer moved that the bid be rejected. The motion carried, and Executive E. A. Rolison was instructed to attempt to secure a private contract and investigate the cost of doing the work by day labor.

LIBRARY AWARD DELAYED

Award of the contract for the library building at Ravenswood School was held up to allow the low bidder, Carroll DaMant, 137 Donahoe street, Palo Alto, time to post the required bond. DaMant indicated that he may let the contract go to the next lowest bidder, L. M. Duncan of Redwood City. DaMant's bid was $1780, Duncan's $2100. Other bidders: **Lenn Follette**, East Palo Alto, $2230 and J. B. Allen, San Carlos, $2480.

Sharp increase in number of old age pension applicants brought a request from the department of public health and welfare for an additional stenographer. Three hundred dollars for the salary was ordered transferred for the purpose.

Support of the campaign to bring the $15,000,000 navy supply base to San Mateo County was voiced in a motion by Supervisor Beer, offering full cooperation of county officials in preparing data. The request came from the Peninsula Junior Chamber of Commerce.

TO AID T. B. SURVEY

Beer was appointed to represent the board in the San Mateo County Tuberculosis and Health Association, now engaged in a county-wide tuberculosis survey.

Application for formation of a sanitary district at El Granada was approved. The board ordered the county engineer to prepare boundary maps, using the same boundaries as the lighting district for the area.

Sale of a number of lots at Salada Beach to Ray Higgins was authorized on recommendation of the planning commission.

NEW LIGHT AT LAKE

Payment of $100 per month for the property now rented from Mrs. Nettie M. Dusel for the county's corporation yard was approved on a one-year lease basis.

Petition of 25 property owners in the Emerald Lake district for a street light at Lake Boulevard and Oak Knoll drive was granted.

Seventy applications and a number of transfers for old age pensions were authorized on recommendation of the welfare department.

Bids of the Pacific Gas and Electric Company to supply energy for the North Palo Alto and Visitacion lighting districts were accepted.

Bissell Tire and Battery Service won the contract to supply the county with tires for the fiscal year.

MENLO PARK NEWS

Sunday afternoon Miss Mabel Andrews of Palo Alto and John McCue of San Carlos were united in marriage by Rev. Father A. J. Carroll in St. Thomas Aquinas Church.

The pretty bride is a daughter of Mr. and Mrs. Frank Andrews, pioneers of Palo Alto. On their return from the honeymoon the young couple will reside in Palo Alto.

Saturday afternoon Miss Maxine Moore of Burlingame became the bride of James Armstrong III. The ceremony took place in San Francisco, where the young couple will live.

Father of the bridegroom is Capt. James Armstrong of Menlo Park.

Rose Valla has moved her beauty shop to one of the stores in the Duff Building. She will hold a reception at her new quarters next Tuesday.

Mr. and Mrs. Arland Judkins of Ogden, Utah, are established in the Sutton Apartments on the highway. The family includes an infant daughter, Patricia.

James J. Lynch, well known writer, is here on a short visit with relatives. He is one of the best posted men on horticulture in the state. His father, the late M. Lynch, was the first person on the peninsula to ship flowers to the San Francisco market. The son learned his horticultural knowledge at the London Botanical Gardens.

Mrs. K. L. Martin, wife of the well known plumber, was operated on this week at a San Francisco hospital. Mrs. Martin is quite low. Her host of Menlo Park friends hope she will recover.

Mr. and Mrs. Robert Cain, 1020 Chestnut avenue, are rejoicing over the birth of a daughtr recently. The proud father is the proprietor of two service stations in Menlo Park.

Assessor Flynn Back After Hospital Stay

News that County Assessor Daniel P. Flynn has been dangerously ill with a heart attack and has been confined to a hospital was revealed here following his return to his home at 1131 Jefferson avenue.

The veteran county official, who has been absent from his office with what his associates said was a "minor illness," has been under close observation at the Mt. Zion Hospital during most of that period, it was learned.

At his home today his condition was described as excellent, but no indication would be made as to when Flynn could return to the courthouse. County Clerk E. B. Hinman, who also has been ill in a San Francisco hospital, was expected to return to his home today.

Texas contains more sulphur deposits than any other state in the union.

Many Attend Sunday Rites

Opening of the First Congregational Church's diamond jubilee celebration saw 38 received into the membership of the church before a crowded congregation faced by a choir of 48 voices.

The large choir, composed of those who had sung in it at various times during past years, was directed by its long-time leader, Otis Carrington.

The church building was beautifully decorated with chrysanthemums and autumn foliage.

Dr. Charles E. Ward, the pastor, preached on "For Their Sakes," pointing out that ideals are realizable and that, having achieved one goal, one should immediately set another, never being satisfied with past performances.

Sunday evening's meet took the form of a community song service, shared by a large group, followed by talks by visiting speakers, who were Dr. Willard Thorp, pastor of the Palo Alto Congregational Church, and Rev. Sidney Buckhaw of the San Mateo Congregational Church. Charles Huyck and Andrew Stewart also spoke briefly, discussing the value of the church from the layman's point of view.

New members welcomed into the church are Mr. and Mrs. W. H. Girvin, F. L. Giles, Langford Currie, Cuthbert Currie, Mr. and Mrs. Everett M. Runyon, Marjory May Runyon, Mildred Irwin, Eleanor Irwin, Robert Uhlenberg, Clarence Doxsee, Raymond Long, Alvin Bartley, La Vern Rice, Doris Brown, Mrs. Harry Potts, Mrs. Mary Kreiss, Mrs. Eleanor Padgett, Mr. and Mrs. Howard C. King, Mr. and Mrs. Ralph Case, Theodore G. Storey, Clyde Landis, Mrs. Susanna Tompkins, Alice R. Tompkins, Louise L. Tompkins, Elizabeth Myrtle Schwartz, Doreen Gill, Mildred Edith Nelson, Robert Furger, Richard Zimmerman, Barbara Hallett, Betty Gunn, Mrs. Charles Parker, and Mr. and Mrs. F. D. Von Ohlen.

There were 14 baptisms.

Former pastors of the First Congregational Church, Mrs. George H. Hopkins, Mrs. C. H. Stevens and members of the church who were present at the silver and golden anniversary celebration in 1887 and 1912, respectively, will be guests of honor at the dinner to be held tomorrow evening at 6:30 o'clock at the church in observance of the 75th anniversary of its founding here.

Roy Cloud, for many years a trustee, will act as master of ceremonies for the evening. Chairman in charge of arrangements is Mrs. Glenn Pennebaker.

Although the diamond jubilee is being celebrated with special events throughout this week, tomorrow marks the actual anniversary of the church's founding in 1862.

Man, Wife Both Face Bad Check Charges

Two persons, man and wife, both wanted on forgery charges, were in the hands of the law today. John Moyles, 45, laborer, former resident of North Fair Oaks, was arrested in San Francisco and booked at the county jail here late yesterday afternoon.

According to reports received by Redwood City police, Moyles' wife, Margaret, was in custody in San Jose.

Moyles is being held on a warrant from the district attorney's office charging him with forging a number of small checks. They were cashed, the complaint states, in the North Fair Oaks district.

Mrs. Moyles is wanted by police for assertedly passing forged checks in Redwood City.

Group insurance in the United States last year was estimated to total $1,303,000,000.

Fleet street is London's newspaper row.

THIS CURIOUS WORLD By William Ferguson

THE Australian emu is second in size to the osirich, and lays eggs of a comparative size. Most peculiar about the eggs is the dark green shagreen-like surface. By cutting away the outer surface, a lighter shade is encountered, and this combination makes it possible to execute beautiful carvings thereon, much as a cameo is carved.

MT. CARMEL CHURCH OBSERVES ANNUAL FEAST OF ALL SAINTS

Feast of All Saints, a Holy Day on the Catholic calendar, was observed at Our Lady of Mt. Carmel Catholic Church Monday. Masses were said at 7, 8 and 10 a.m. and at 12:15 p.m. in honor of the feast day for all the saints.

Sunday 60,000 bay region Catholics reaffirmed their faith in one of the most solemn religious feasts seen in the West when they gathered at Kezar stadium. Archbishop Mitty led in procession around the field and then conducted the ceremonies at the altar, where a loudspeaker carried his words of praise of Christ to the kneeling throng.

Led by the minor clergy, the archbishop, following the canopy with the Blessed Sacrament, opened the ceremony of the feast at 2:30 p.m. He read a cablegram to the pope in which he asked for the Holy See's blessing on yesterday's throng. He asked for peace and good will among all "our fellow citizens" and among the nations of the world.

The benediction followed, with thunderous responses from the laity and various religious orders, followed by the recessional, the song of faith to the Redeemer King and final prayers.

An annual event, the feast this year was conducted under the auspices of the Archdiocesan Union of the Holy Name Society of the Catholic Church.

The first skull of the so-called Neanderthal Man was discovered in 1856 in Germany.

Woodsider, Stanford Are Among Legatees

Among legatees of William W. Carson, wealthy San Francisco lumberman, who spent much time at the Menlo Country Club at Woodside, revealed Tues. in San Francisco when his will was filed for probate, is John Volpiano, Woodside fire chief, who was a personal friend of the late bachelor capitalist.

Volpiano, surprised at the legacy when informed of it by The Tribune, explained that he had traveled with Carson on numerous occasions and had come to know him intimately during his stays at Woodside.

"He was always trying to do something for others," Volpiano recalled.

Altogether Carson left $125,500 to 150 separate beneficiaries in amounts between $500 and $2500 and left $425,000 to hospitals, universities and other institutions. Included is $50,000 for Stanford Lane Hospital; $50,000 for Stanford University's general fund, and $50,000 for five Stanford scholarships of $10,000 each.

Carson died October 28. He was 60.

Unincorporated Area Building $170,270

Building permits in unincorporated areas of San Mateo county rose to $170,270 during October, Building Inspector William Watson reported today. The total compared favorably with the low September report of $111,150, but was far behind the $238,550 added up in October, 1936. Residential building accounted for $117,400 worth of the sum.

Employe Registration Blanks Available

Employe registration blanks are now available at the Redwood City Chamber of Commerce, Secretary-Manager Roscoe D. Wyatt announced today in pointing out that according to federal social security laws, "corporation executives and officers are counted as employes even though they do not draw a salary." Thus any organization which hires a secretary and has a set of three or more officers, although unpaid, is liable under the national law, Wyatt explained.

Local Woman's Kin Dies at P. A. Home

Mrs. Leah Ailene Roller, 48, wife of Arthur Roller, Palo Alto undertaker, and sister of Mrs. Lucile Knox Stephens of 2540 El Camino Real, Redwood City, died Monday at her Palo Alto home after an illness of two years.

Other relatives include two sons, Willis and Robert L. Roller of Palo Alto, and a brother, Lester A. Duncan of San Francisco.

Morrissey, Race Starter, Passes At Home in R. C.

Harry Morrissey, nationally known turf figure and sometimes termed "the greatest starter of all time," died late Monday at his home on Woodside road, Redwood City. He was 62.

Morrissey's death followed by only a few hours a heart attack suffered earlier in the day, and came as a complete shock to William Kyne, manager, and other members of the Bay Meadows staff, where Morrissey had worked until Saturday.

Born in Manchester, England, Morrissey came to this country at the age of 2. Later he found his first job on the American turf as an exercise boy and then became a jockey.

His first starter's job was as assistant at the old Alexandria, Va., track, where he remained for 15 years. Later he went to Kentucky, then to Butte, Mont., and finally in 1916 to the old Tia Juana racetrack owned by Jim Coffroth.

During the past six years he lived in Redwood City, where he raised a few choice thoroughbreds and became a breeder as well as racetrack official.

Surviving relatives include his wife, Madelyn, and two sons, John, who lives in Kentucky and is a starter in his own right at New Orleans and other Eastern tracks, and Daniel, a student at St. Joseph's Military Academy, Belmont.

Open Verdicts Given In Explosion Deaths

Three open verdicts resulted from as many inquests conducted Tuesday by Coroner William F. Crosby in South San Francisco.

After hearing the testimony of three witnesses in the fatal E. I. du Pont de Nemours Company blast in South San Francisco which claimed three lives, the jury made no attempt to fix the responsibility for the explosion.

Company officials stated that their investigation, being conducted in South San Francisco and at the New Jersey plant from which the explosive material was shipped, is not yet complete.

Another open verdict was returned in the case of William C. Crim, young San Mateo attorney whose life was snuffed out in a Bayshore highway accident at South San Francisco. The third verdict involved an unidentified pedestrian killed on the highway at Brisbane.

Candidates for Japan's naval aviation are selected from boys 15 to 17 years old.

Ten per cent of the bill is the average tip given to a waiter in a public dining place.

Michigan is called the "Wolverine" state.

Former Local Woman Passes

Mrs. Lena Roberts, former Redwood City, Burlingame and Palo Alto art and knit shop proprietor, passed away in San Francisco at midnight Tuesday of a heart ailment, friends were advised.

Mrs. Roberts, who owned a shop on Upper Broadway near El Camino Real for several years before moving to Burlingame, belonged to Redwood City units of the Order of Eastern Star and Native Daughters of the Golden West. She recently had been operating a knit shop in the Granada Hotel in San Francisco, where she had been living.

Surviving relatives include her parents, Mr. and Mrs. E. F. Burkhart of Palo Alto; a brother, William Watson of Santa Maria, and a grandson, William Roberts of Palo Alto.

Harbor Construction Work Is Completed

Exodus of contractor's equipment was complete today at Port Redwood City, with windup of construction and paving activities by the W. O. Tyson contracting firm. City road crews are continuing their work on Harbor boulevard, which will be re-graded, widened and surfaced before the heavy winter rains set in.

HOLD EVERYTHING! By Clyde Lewis

"He says he's sick and tired of hair getting down his neck!"

Restraint Asked Against Solicitor

La Grande Laundry of San Francisco has filed suit for $500 damages and an order to restrain Kenneth L. Steiner, former employe, from soliciting business in San Mateo county. The company alleges that Steiner entered their employ October 8, 1936, and left it October 18 of this year.

He entered the employ of a competitor, the complaint states, and sought to divert the La Grande company's business. In doing so he violated an agreement with the company, it is declared.

New Crossing Signals Going in on Broadway

Modern warning signals were being installed here by the Southern Pacific at its Broadway crossing in Redwood City.

Two of the latest-type devices will tell motorists on either side of the tracks of approaching trains. The signals are known as the "flashing-light" type, standing low from the ground directly in the vision of drivers.

Similar standards are being placed at other major Redwood City crossings, including Main, Maple and Rogers streets and Jefferson avenue. Gatemen will be retained, however, during daylight and evening hours at the Main and Broadway crossings.

ALARM FOR RUBBISH FIRE

Smoke from a rubbish blaze at 429 Howland avenue late Tuesday afternoon led to the turning in of a fire alarm. When firemen arrived on the scene a few minutes later, they found only the rubbish pile, smouldering all by itself in a barren field a safe distance from the nearest residence.

Minelaying submarines are attached to all navies.

Still Coughing?

No matter how many medicines you have tried for your cough, chest cold, or bronchial irritation, you can get relief now with Creomulsion. Serious trouble may be brewing and you cannot afford to take a chance with any remedy less potent than Creomulsion, which goes right to the seat of the trouble and aids nature to soothe and heal the inflamed mucous membranes and to loosen and expel the germ-laden phlegm.

Even if other remedies have failed, don't be discouraged, try Creomulsion. Your druggist is authorized to refund your money if you are not thoroughly satisfied with the benefits obtained from the very first bottle. Creomulsion is one word—not two, and it has no hyphen in it. Ask for it plainly, see that the name on the bottle is Creomulsion, and you'll get the genuine product and the relief you want. (Adv.)

Directors Aid Junior Work

Twelve students have been elected members of the junior class board of directors at Sequoia high school to assist the newly chosen officers in directing activities of the class for the year.

Elected from the basic course classes, the board members are Caeser Gomez, James Mastoris, Severino Celotti, Ruth Myers, Sam Bettes, Patricia Jeffers, Helen Grey, Donald Bradley, Mildred Nelson, Peggy Seufert, Arnold Rose and Ed Olson.

The Sino-Japanese crisis will be discussed by Lawrence Berger for members of the Sequoia high school Japanese Club next Tuesday evening, when he is to appear as guest speaker at a meeting of the organization.

Berger, who is conducting a series of lectures on international problems for Sequoia Evening High School, recently visited in the Far East to study the problems of the countries there.

Sequoia high school debaters will meet both negative and affirmative teams from Santa Rosa in contests to be held tomorrow at Sequoia. Debating the question, "Resolved: That the Several States Should Adopt the Unicameral System of Legislation," Esther Colton and Benny Iijima will comprise Sequoia's affirmative team, while Clara Reinhard and Helen Lum will uphold the negative for the local high school.

Careers for women in medicine were described by Mrs. Nelson Andrews, M.D., when she appeared recently as guest speaker before the Sequoia high school social problems classes taught by Ronald Anderson. Mrs. Andrews, who is both a physician and surgeon, outlined the qualifications and training necessary for both medicine and nursing. Her talk was one of a series being heard by the students in line with the vocational survey they are conducting.

Personal "thank you" letters from Postmaster General James A. Farley were received this week by each member of the Sequoia high school band who played at the reception held for Farley when he visited Redwood City recently.

Asaju Adachi, Local Nurseryman, Passes

Asaju Adachi, 52, nurseryman for 30 years, died Wednesday night at the Palo Alto Hospital. He had lived in Redwood City for 20 years on the Hogan ranch on Woodside road.

Surviving him are his wife, Asano Adachi; two daughters, Sumiye and Keiko Adachi; two sons, Ryuji and Sachi Adachi, and a brother in Japan.

Arizona was the last state to enter the union.

Paul Robeson has decided to abandon the concert stage.

James Dykes, Physician Here 23 Years, Dies

Six Months' Illness Fatal to Doctor; Rites Saturday

Dr. James P. H. Dykes, for nearly 23 years a practicing physician and surgeon in Redwood City, died Thursday shortly after 8 o'clock at his 158 Whipple avenue home, following a six-month illness. He was 77.

Dr. Dykes retired from active work a year ago. He had come here in 1914 from Kansas, where he had been a member of the state board of health. He was a native of Rogersville, Tenn., and was graduated in medicine from the University of Tennessee.

He served a term as one of the few Republican members of the Tennessee State Legislature, being elected in 1890.

Until 1933, after many years service, he was a member of the San Mateo County Sanity Commission.

In Redwood City Dr. Dykes maintained offices at 2194 Broadway.

He was a member of the Masonic Lodge and the Congregational church.

His wife, Sara M. Dykes, survives him. A son, Dr. Taylor Dykes, is a practicing dentist in Oakland. Dr. Dykes also left his sister, Mrs. Susan B. Keller of El Dorado, Ark., and a grandson, Earl T. Dykes Jr.

Funeral services will be held Saturday at 10:30 a.m. from the Layng & Tinney Funeral Home, Redwood City. Rev. W. P. Reagor of the First Christian Church, Oakland, will officiate.

Clover Leaf Employe Pays Traffic 'Ante'

John Aime, 24, who gave his business as the Clover Leaf Club, raided by state operatives October 16, paid a fine of $2.50 in Judge Edward McAuliffe's court for failing to stop at an arterial. Aime, 1720 LaSalle street, San Francisco, was arrested October 21 by the state highway patrol. Other state victims included Jessie Walker, Redwood City, and Henry J. Degenkolb, Berkeley, also fined $2.50 each.

Three city traffic court defendants, Buel Jackson, R. W. Harris, and Charles Wood, paid $2.50 each for minor infractions of traffic ordinances.

THIS WEEK'S THOUGHT—

Are you driving to San Francisco tonight? If so, remember that night driving is six times as hazardous as daytime driving.

About 25 per cent of highway traffic is at night, yet 60 per cent of the accidents occur after dark. Whatever hazards lie beyond the range of your headlights are practically beyond your control. If this is important to you, reduce your speed by 10 miles an hour, be more alert in your driving and use greater caution in meeting the greatly increased risks of night driving.

SAN MATEO COUNTY TRAFFIC SAFETY COMMISSION.

72 on School Honor Roll

Seventy-two McKinley Intermediate School pupils qualified for the October honor roll, according to announcement made today by the principal, Mrs. Lauretta Paulsen.

Of the four classes, the 8A group led the list with a total of 44 students with 47 or more honor points each. In the 8B class, nine students recorded 47 or more honor points each, while eight pupils of the 7B class and eleven of the 7A class recorded a total of 42 or more honor points each.

On the 8A roll were Betty Dilg, Gloria Gilli, Alma Gull, Roberta Hail, June Hersey, Vivian Holmquist, Kiyoko Kasai, Doris Kiel, Lois Marozik, Ada Morasutti, Dorothy Mullen, Neidre Nygaard, Jane Roberts, Margaret Roettger, Avis Uhlenberg, Betty Walford, Dorothy Carey, Nona Hamlet, Frances Harkens, Ethel Johansen, Paul Arnaud, Eugene Benton.

Calvin Coats, Billy Huggins, Donald McCrea, Harper Peddicord, Howard Sahlberg, Warren Saltzman, Richard Bielenberg, John Spiker, Violet Peters, Delores Sifuentes, Peggy Smith, Norma Thompson, Shirley Thompson, Alice Tompkins, Shirley Adam, Emilie Brouellet, Cleo Cross, Barbara Henning, Marjorie Penez, Joan Ross, Eddie Bondolfi and Amanda Day.

Qualifying for the 7A list were Dorothy Baldwin, Aileen Brackeen, Jeanne Peterson, Doris White, Bill Langston, Jesse Nelson, Barbara Owens, Herbert Browns, Fred Zangari, Virginia Sugar and Bob Douglass.

The 8B list included Robert Coombs, Hiroshi Honda, Betn Childs, Mildred Emig, Patricia MacFarland, Louise Manza, Roberta Southward, Edythe Springall and June Gavin.

Fruit salad is a dessert in the British Isles, usually eaten with cream.

Tuberculosis Program Held Best in State

Comprehensive plans to make San Mateo county free of tuberculosis were launched Monday at the first meeting of the nurses' panel appointed to conduct a county-wide survey of the extent of the disease.

Miss Pauline Merino, public health nurse with the San Mateo County Tuberculosis and Health Association, was elected president. Miss Esther Baxter, county nurse, is secretary.

Sixteen persons attended the session, including 12 women actively engaged in public health work. County Executive E. A. Rolison, who is coordinator for the various groups interested in the survey, distributed printed forms upon which the data to be gathered by the nurses' panel will be recorded. Included is a record for each member of the family in which a case of infection is discovered.

The survey will not be conducted on a house-to-house basis, Rolison explained, but through doctors, school nurses, the tuberculosis association, hospital records, mortality records, and the public health departments of the state, county, and 12 cities in the county.

First report of the field work will be made within three weeks, Rolison said.

Humane Group To Seek Funds

A drive to raise $150 for purchasing of bench equipment for use in the Redwood City Humane Society's annual pet show next May was decided upon last week at a meeting of society members in the home of Mrs. J. E. Ryan, president.

First unit in the program will be a benefit whist party to be given November 10 at 8 p.m. in Mt. Carmel Parochial School Hall under the direction of Mrs. C. H. Wakefield and Mrs. Helen Cullen.

Also discussed were general plans for the 1938 show, a membership campaign and routine business.

Woman Moves in Time To Escape Injuries

SAN CARLOS, Nov. 1—Because she left her desk just when she did Saturday afternoon, Mrs. Paul Joy of the San Carlos French Laundry escaped injury when a car crashed into the building. The machine, driven by Miss Irene Minerva Jacobs of Palo Alto, jumped the curb and smashed into the show window of the laundry, wrecking the front part of the structure where Mrs. Joy nad been seated a moment before. Miss Jacobs said she lost control of her machine in avoiding a collision with the car of S. E. Alberson of Redwood City. Miss Jacobs suffered only shock.

The proportion of persons over 70 in the total United States population more than doubled between 1860 and 1930.

Recruits for the Royal Canadian Mounted Police are trained at Regina, Saskatchewan.

More than 3,000,000 persons have viewed New York from the Empire State Tower.

Fahrenheit, German physicist, was the first to use mercury instead of alcohol in thermometers.

Woolworth Takes Long-Time Lease On New Building

A transaction of importance to downtown business interests was announced here by Julius Smith, local realtor, in the signing of a 20-year lease by the F. W. Woolworth Company for a building to be erected by Henry A. Beeger on the triangular property formerly occupied by the Southern Pacific station.

The one-story structure, fronting 57 feet on Broadway and 135 feet on Winslow, will give Woolworth's Redwood City store the largest and most modern quarters of all peninsula units, Smith said, declaring that the new structure will be one of the finest buildings in the county. All new fixtures will be installed.

Construction work is to be underway within three weeks, with completion set for February 1. The entire building, including full basement, will be occupied by the Woolworth store, giving it nearly four times as much floor space as at present.

The move from the present quarters at 2207 Broadway is necessitated by increased business, according to M. J. Hoffman, manager. The present store was opened September 1, 1928. Hoffman himself has been with the Woolworth firm 13 years.

The new structure is only one of two or more planned to occupy the corner lot vacated by the Southern Pacific. Frontage of the lot on Broadway is 175 feet.

Former S.S.F. Women Die in Car Crash

SOUTH SAN FRANCISCO, Nov. 1—Word that Mrs. Georgia Masoni, 31, and Mrs. Azati Vanni, both formerly of this city, were killed Saturday when the car in which they were riding left the Redwood highway and overturned at Hopland, near Eureka, has been received here. Several in the automobile were injured, it was reported.

GET UP NIGHTS?

FLUSH KIDNEYS WITH

Juniper oil, buchu leaves, etc. Make this simple test if passage is scanty, irregular, smarts or burns, have frequent desire, get up nights or if kidneys are sluggish causing backache. Use juniper oil, buchu leaves, etc., made into little green tablets called Bukets to flush the kidneys, just as you would use castor oil to flush the bowels. Help nature eliminate troublesome waste and excess acids. Ask any druggist for the test box of Bukets. Locally at Young Drug Co.

ROAD OFFICIAL SEES BAYSHORE AS SIX LANES

Kelly Says Divided Highway Planned Soon by State

BURLINGAME, Nov. 3—Definite plans of the state to widen Bayshore highway to a six-lane, divided thoroughfare, probably by the time of the 1939 San Francisco exposition, were unfolded yesterday to Mayor W. W. Hives and City Treasurer Frank A. Bloom of Burlingame by State Director of Public Works Earl Lee Kelly, the mayor revealed today.

Mayor Hives and Bloom spent the day at Sacramento in conference with Kelly regarding the future construction and improvements on the major highways serving Burlingame and the proposed Junipero Serra boulevard.

Kelly assured the mayor that as soon as funds are available the Bayshore would be widened in an effort to reduce the congestion on the artery. The six-lane road, with a safety strip down the center, cannot be "jacked apart" as proponents have urged, but must have additional lanes built, the mayor said Kelly added.

Test lighting of Bayshore highway from South San Francisco to San Francisco will be done as soon as plans and specifications are complete, the mayor learned.

However, instead of with lights placed as on the bay bridge, the lights will be staggered at greater intervals, it was said. The lights will be mounted on straight poles some 10 feet off the pavement, the mayor said the present plans specified.

The mayor added that he will formally write his objections to the state officials in an effort to have bracket-lights swung over the road at closer intervals that the plan might "get a fair test."

City Employe's Wife Dies at Home Here

Mrs. Anita Ibarra, 51, passed away Monday at her home, 1606 Middlefield road. She was a native of San Jose, Costa Rica, but had resided in this city for the past 16 years. She was the wife of Isidoro Ibarra, city employe.

Most New York social register clubs have more than a thousand members.

Sale of Downtown Holding to Bring Razing of Stores

A real estate transaction which shortly will result in two of downtown Redwood City's oldest structures being razed to make way for a modern store building was announced Wednesday.

The deal was the sale, made through Julius Smith, local realtor, of a portion of the Fitzpatrick property bounded by Broadway, Arguello and Marshall streets. Purchaser of the property is Marco Dondero of 1127 Brewster avenue. The property was sold by Mrs. Mary Fitzpatrick.

The holding, which brought nearly $20,000, was acquired by the late Peter F. Fitzpatrick in 1868 and 1872 and has been held by the family ever since.

Thirty-five feet of the property is on Broadway, 95 feet on Arguello and 135 feet on Marshall. The Fitzpatrick home at 2412 Broadway is not included.

At present housed in the store building are Joe Roza's Depot Exchange, Joe's Shaving Parlor and Ted Seufert's insurance and real estate business. Also on the property is a two-story frame house at 10 Arguello street. Both buildings were constructed about a half century ago.

The structures will be replaced by a one-story concrete building as soon as leases can be obtained, which will be in the near future, Smith explained. Deeds have already been filed with Recorder T. C. Rice, papers having been handled by the San Mateo County Title Company.

This is the second major piece of business property Dondero has purchased in Redwood City in the past year. He bought the Louis Christensen building on Upper Broadway last year. Both purchases were made as investments, Smith said.

"Mr. Dondero in looking over Redwood City business property feels this is the best spot which he has found for investments," Smith added. "He holds considerable San Francisco property but is endeavoring to confine all his purchases now to this community."

The new purchase is across the street from the old Southern Pacific station site, on which Henry A. Beeger plans new stores, one of which was announced yesterday as having been leased to the Woolworth Company.

Cost of County's Federal Aid Jobs Set at $663,100

Ronald Campbell, planning adviser, and Engineer U. S. Marshall have completed cost estimates on five county relief projects and forwarded plans to the State Planning Commission. Total cost of the five projects is estimated at $663,100.

Improvement of Brisbane Lagoon will cost $43,600, Campbell estimated, including $15,000 to fill the land, $3000 for a service building, and items for landscaping, water supply, etc.

Pescadero Lagoon improvements costs totaled $134,500. Dredging and filling would cost $49,500; three miles of road, $30,000; water system, $7000; store building and warden's residence, $5000, and landscaping $2500.

Half Moon Bay Erosion Control project was included for $132,000. Of this amount $100,000 would be spent for a breakwater, and $10,000 for jetties. Plans include a boat landing in the lea of Pillar Point.

Control of erosion in the Colma creek water shed would cost $50,000, according to preliminary plans. Check dams and lining channels would cost about $15,000, the balance to be spent in vegetative protections by reseeding the area to cover crops, instructing farmers in contour plowing and other measures to conserve top soil.

According to Marshall, he has received expressions of support for the proposed $300,000 south county sewer district project, largest item on the relief program.

Illness Is Fatal To Young Mother

A three weeks' illness ended in death at a San Mateo hospital Tuesday for Mrs. Lynnette Edmonds, 29-year-old wife of Harry G. Edmonds and mother of Harry Gilbert Edmonds Jr., and Stanley Gordon and Stewart Allen Edmonds, 4-year-old twins.

The Edmonds', whose home was at 2043 Oxford drive, had lived here 11 years. Mrs. Edmonds was the daughter of Mr. and Mrs. Luther Meyer of Redwood City and the sister of Thelma A. Rice of Menlo Park.

She was a native of New Mexico.

Private funeral services will be held from the James Crowe Mortuary chapel.

Palmy Days

Bask in the warmth of a GAS Circulator

SAY GOOD-BYE forever to the old-fashioned bug-bears of out-of-date stoves and other fuel burners. With a modern Gas Circulator you do away with striking a match each time you want heat. Do away with turning valves up and down. End forever the see-saw guesswork of humpty-dumpty room temperatures.

Your modern Gas Circulator is as easy to operate as a radio. Turn a dial-like thermostat—a small pilot light is your eternal match. You have quick, clean, even, healthful heat. Never too much, never too little heat, because the automatic thermostat takes care of that.

SAVE $6.75 DURING NOVEMBER

Remember ONLY GAS gives you this accurate, dependable temperature control. Buy your Gas Circulator now and save money.

During the month of November you can get a thermostat heat control FREE when you buy your Circulating Gas Heater.

Injuries Prove Fatal To S.F. Advertising Man's Wife

A headon automobile collision with a massive eucalyptus tree on Brittan avenue, San Carlos Monday night brought fatal injuries to Mrs. Hallie Jeanne La Due, 32, of Graceland avenue, Redwood City.

Only witness to the sudden and unexplained tragedy was Mrs. La Due's pet dachshund riding with his mistress as she was on her way to visit friends.

The car was discovered at 7:40 p. m. by George H. Kirchner, San Carlos policeman, where it stood smashed against the tree. The front end was bashed in and the motor torn from its casing.

BREAKS INTO AUTO

Kirchner broke the glass to open the jammed door to remove Mrs. La Due, unconscious, from the wreck. She was rushed by ambulance to the Mason-Monteith Emergency Hospital, Redwood City, then to Palo Alto Hospital, where she died at 11:35 o'clock without regaining consciousness.

Death came as a result of pulmonary edema and shock, according to Dr. Robert Monteith, attending physician, who said the woman also suffered a broken right arm, fractures of both legs, and internal head injuries.

Police said they could find no cause for the accident. There were no skid marks on the road, nor any evidence that Mrs. La Due had tried to bring her car to a halt. Police Chief Edward J. Wheeler of San Carlos said. The road is lined with eucalyptus trees.

HUSBAND ADVERTISING MAN

Mrs. La Due is survived by her husband, Slayton P. La Due, San Francisco advertising man. The couple only recently purchased a home here, it was said.

Mrs. La Due also leaves her parents, Mr. and Mrs. Louis Young; two brothers, Millard and Gilmour Young, and a sister, Mrs. Melvin Sanders. She had no children.

A total of 138,220 persons were in jail in this country on January 1, 1935. The most prisoners any one state had was 10,748 in Illinois.

Sheriff Discloses Radio System Need

"Not to be best in the world, but far from the worst"—this is Sheriff James J. McGrath's description of the San Mateo county jail.

He made this statement in his talk Tuesday at the San Mateo Junior College Adult Center Forum.

Sheriff McGrath said the county jail has a capacity of 60 persons, but has held as high as 80. The sheriff detailed the work of his office, civil, criminal, and jail. Additional equipment that could be used to advantage would be a radio patrol system which would cost about $10,000 for equipment and installation.

Sheriff McGrath said most crimes in the county are committed by outsiders coming here with exactly that purpose.

ADMITS BAD CHECK GUILT

J. F. Tomlinson, charged with passing a fictitious $8 check on Joe Faso, Redwood City, has changed his plea from not guilty to guilty and asked the superior court for probation. James T. O'Keefe Jr., his attorney, said restitution would be made to Faso.

Lucien Moyen Dies; Rites Set Friday

Lucien Moyen, 56, for 14 years foreman at the "Why Worry" farm in Woodside, passed away Wednsday, ate a San Jos hospital, following a long illness.

Mr. Moyen was a native of France. He is survived by his wife, Hazel Moyen; a son, George Moyen; a daughter, Lorraine Moyen and was the father of the late Lucien C. Moyen.

He was a member of Court Madrone No. 156, Foresters of America.

Funeral services will be held Friday at 11 a.m. from the Layng & Tinney Funeral Home. Interment will follow at Union Cemetery.

Use of Agricultural Structure Pondered

Difficulties concerning the San Francisco-San Mateo county use of the agricultural district building at Bayshore City for shows in connection with the 1939 exposition will be considered by the San Francisco Board of Supervisors Friday. Supervisor Uhl has requested the board to settle the difficulties.

McSweeney Begins Collection of Taxes

With the first installment of county taxes due and payable, County Tax Collector Ambrose McSweeney has started his annual swing around the county, opening a branch collection office in Pescadero.

He advised all property owners who have not received their tax bills to contact his office immediately.

First installment of 1937-38 taxes is delinquent December 5.
